

BARODA FIRE DEPARTMENT

June 1, 2022

To: Village of Baroda Business
Baroda Township Business
And Interested Persons

It's that time again to ask for your support of Baroda's 4th July celebration held each year within the Village of Baroda.

The Baroda Firemen's association will be disbanding at the end of this year and the annual fireworks will be taken over by a joint committee of Baroda Township & Baroda Village. The fireworks will be run by the Baroda Township Fire Department.

This year the fireworks show will be Sunday July 3rd at dusk, rain date of July 4th.

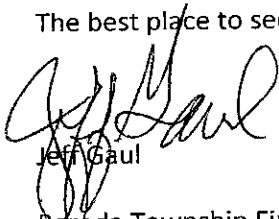

The fireworks display will be behind the Baroda American Legion Post 345 at the south end of First St.

Each year we try to have bigger and better fireworks than before, this year will be no exception. This is only accomplished with your generous support. We ask anyone wishing to donate towards the fireworks fund do so at this time. The cost of this year's show will be in excess of \$20,000.

The Legion will have their beer & brat tent. Live music starting at 7:00 P.M. in the legion pavilion.

We will have our usual parking west of the Legion. Additional parking will Not be available this year in the Village of Baroda Industrial Park. All the lots in the industrial park have been sold except for the one and it has a big pile of dirt on it.

Please spread the word for people to come early and enjoy the music and food and get a close-up seat. The best place to see the fireworks is by the Legion.

Jeff Gaul

Baroda Township Fire Chief
