

## Fireworks Summary 2022

The 2022 July 3<sup>rd</sup> Fireworks total cost was \$21,740.51 which was paid for by the Baroda Firemen's association. The Baroda Fire Department has raised \$20,057.41 for the fireworks in 2023.

I would like to thank all of the volunteers that help to make the fireworks happen. I would also like to thank all of the companies that donated to the fireworks fund and all the people that donated to the fireworks fund.

The 2023 July 3<sup>rd</sup> Fireworks estimate is \$27,354.06 at this time but with inflation it is only a guess. The basic fireworks costs are up 23% from 2022 which you have to order a year out. This leaves a delta of \$7,296.65 which will require some fundraising to make up the difference. Additional help will be needed to collect funds for the fireworks for 2023. If anyone can make a donation please make the check out to "Baroda Fire Department" & mail it to the following address:
